Australian Owned, Australian Made And Proud Of It

Acryloc Building Products is a family owned Australian company that has been making water based interior, exterior, render and texture systems for over twenty five years. We supply customers throughout Australasia.

## Acryloc Wallcote System

Our premium quality exterior coating system, offering a range of fashionable finishes with industry leading performance and durability characteristics.

## Wallcote Solutions

The Wallcote range includes complete systems for a wide range of walling substrates.

Whether coating traditional brick, concrete, fibre cement, foam or lightweight concrete (AAC), Wallcote has a system to suit.

Acryloc also supply a wide range of walling panels, fixings, tools and

accessories including masking and jointing tapes, plastic and metal beads, brushes, rollers, trowels, floats and drop sheets. Perfect for application of the full range of Wallcote products.

## Primers

*Priming is the "Key" to a great finish...*

Good surface preparation is the foundation of coating performance and system durability.

Cutting corners can be disastrous; prepare well and enjoy the benefits for years to come with our range of Wallcote primers.

## Base Coats

Acryloc offer a range of high build and skim coat renders incorporating flexible polymers and additives to enhance performance and application.

Simple easy to use 1 bag solutions - just add water.

Add cement to our Coarse Patch for recessed joints and beads and skim the surface with our Fine or Coarse Patch for a perfect and consistent finish.

## Texture choices

*A superb range of quality Texture finishes is available. The only limit is your imagination!*

Whether you prefer our premium Marblecote finish, the rugged charm of the EcoTex range or the sparkle effect of our Allegro texture coatings, we have the perfect texture for you.

Acryloc's durable and convenient range of Roll-On, Trowel-On and Scratch Textures provides choices and finishes for all applications.

All Wallcote texture coatings can be tinted in a massive range of colours.

*"The only limit is your imagination"*

## Finish with Colour

Add our premium Armourflex or Weatherblock exterior paint to finish off a perfect job and provide a durable, flexible, UV and weather protected finish.

Alternatively, Armourflex Extreme will provide the Ultimate protection offering elastomeric, crack bridging technology.

All our products are water based offering low environmental impact and easy clean up.
